Genky Use Cases

Our idea, your advantage

Genky Use Cases

From a simple scenario to complex solutions

- ✓ Are tailored to your requirements
- ✓ Based on a modular system with many pre-configured components
- ✓ Orchestrated with graphical designer (configuring instead of programming)
- ✓ Linking windream with Line of Business applications
- ✓ Visualize your data
- ✓ Suitable for browsers, tablets and smartphones

02

Live-Demo

What genky has to offer

A green chameleon is perched on a light-colored branch that curves across the frame. The background is a solid blue color with two large, dark blue circular shapes on the left and right sides. The chameleon is facing right.

03

Genky Use Cases

Your added value

Genky Use Cases
